## **TTX IS NAMED TO CHICAGO TRIBUNE'S "TOP 100 WORKPLACES"**

**Chicago Tribune**

**CHICAGO, Ill. – November 15, 2010** – TTX Company, one of the nation's leading rail car providers and related freight car management services, has been named by the Chicago Tribune to its 2010 list of "Top 100 Workplaces." The "Top 100 Workplaces" is a compilation of the best places to work in the Chicago area based on an employee based survey conducted by Workplace Dynamics. TTX had 250 employees respond to the survey, which represents 93% of all salaried employees. TTX is very pleased to be on the list of top Chicago employers and to receive this recognition from our employees.

### **About TTX**

TTX Company has been a unique and creative provider to the rail industry since 1955. TTX was created to provide North America's leading railroads with a reliable pool of railcars. Today, TTX's fleet has grown to more than 200,000 flatcars, boxcars and gondolas. TTX provides everything from logistics management to car repair; always ready to provide a fleet to move commodities across Canada, the United States and Mexico.
